Hi Michelle/Kerry,

Further to my conversation I have a pre plan meeting coming up for between 1500 and 2000 dwellings on surplus land at Kempton Park Sunbury. The access is likely to be located close to the Richmond/Surrey boundary. The developer has requested a meeting with the Highways Agency at their Dorking Office between 10.00 and 12.00 hours on 02 July. The developer's transport consultant has informed me that the developer needs to carry out a feasibility study to establish any show stoppers. This will include transport and they would like to meet us to discuss issues we think they should focus on. Would both of you be available to attend this meeting?

Regards
