**Subject:** Fw: Traffic Monitoring

Dear Mr Findlay,

The traffic survey work around Sunbury Cross and extending to Hampton Court is indeed being undertaken by Mouchel in connection with the Kempton Park proposal.

Yours sincerely,

Nick Healey

Area Team Manager (NE)

Surrey Highways

Surrey County Council

**Subject:** Re: Are these to do with KP?

Hi Alan,

The Cameras are part of the long delayed Traffic work. All part of the work commissioned by the Jockey Club.

The road markings are nothing to do with KP.

Have a good weekend,

Nick
