Alan

No

And there are no plans for any announcements about any company as you outline.

The jockey club are working on possible opportunities as shared with you in the past.

Regards

Nick

Dear Nick

Hope you're keeping well.

Has the potential involvement of Redrow in the proposed development of KP ever been the subject of a press release by either them or the Jockey Club?

Has it otherwise ever been published in the building/construction trade press or journals?

Cheers

Alan
