

Dear Councillor 

**Kempton Park Flying Club**

Unfortunately both the Racecourse and Spelthorne Borough Council have received a number of complaints from neighbours regarding the activities of the Kempton Park Model Flying Club, with flying extending into the evening hours during the longer summer days. As a result we have taken a decision to request that the flying club find alternative premises when their Licence runs out on 30<sup>th</sup> April 2015.

We know that some of the members of the club will be residents of Spelthorne but many will come from outside the borough and we very much hope that given a long lead time they will be able to find a suitable base elsewhere, either in Spelthorne or further out into Surrey – where the club has its origins having been formed in a pub in Addlestone.

We are contacting Members in an effort to assist the club in finding alternate premises. Should you have any contacts who may be able to assist the club in relocating we would be happy to pass this information on to their committee or you could contact the Club Treasurer, Hector Piercey, on email at [hpiercey@blueyonger.co.uk](mailto:hpiercey@blueyonger.co.uk).

If you have any queries about this matter don't hesitate to contact me.

Yours sincerely

Phil White  
General Manager
